SUSTAINABLE AND STYLE

Window lunch boxes are ideal for foods like noodles, pasta, salad, and sushi. The window on top provides premium visibility for the food inside. They are preformed, for easy in-store use, and have smooth surfaces, perfect for branding.

Paper twisted handle bags are strong, sturdy and stand upright on counters for easy loading. The paper twist handle bag is ideal for groceries, carrying takeaway or home food delivery orders. The D bag features a die-cut handle so customers can easily carry away orders. Paper bags are recyclable, compostable and reusable. .
