

RecycleMe™

Wholesale Coffee Bags

PACKAGE YOUR COFFEE BEANS THE RECYCLABLE WAY

Introducing Detpak's new RecycleMe™ Wholesale Coffee Bags, the easy way to remove single use plastics from our environment. Featuring our next generation lining, these bags can be placed straight into kerbside recycling.

Designed for small batch coffee roasting, RecycleMe™ Wholesale Coffee Bags are perfect for hand filling and heat sealing. The base of the bag allows for natural degassing to mature the beans before being ground.
